Application Pages:
- **Initial Page (Login or Create Account):**
    - showcases the app name, logo, and slogan
    - the user has the option to login to a previously made account or create a new account

- **Create Account Page:**
    - On the create account page, users are required to enter an email, name, username, password, grade, and school
    - Once entering the information, users can click the sign up button to create their account

- **Login Page:**
    - User can enter username and password
    - Once entering the information, they can click sign in to open their account

- **Home Page:**
    - icons on different color buttons to represent the new pages
    - Logout button in top right corner
    - Each button bring user to different page

- **View Other Students Page:**
    - list of all other students except current student account, each as a button that pulls up resumes when clicked
    - Toggle on and off to sort by alphabetical
    - If time permits: add filter to sort by school

- ***Within This Page there is another page for each student when you click on them**

- **My Awards/Honors Page:**
    - Title at top
    - Plus button in top right corner (to add new awards)
    - Table format with columns titled "name", "date won", "level" (regional, state, etc.), "individual or team"

- ***Within this page there is another page to add new awards/honors**
    - title at top
    - Things to fill out include name (type out), date won (choose from calendar thing), level (select from dropdown or multiple choice), individual or team (multiple choice thing)

- Button at bottom that says add

- **My Classes Page:**
  - Title at top
  - Plus button in top right corner
  - sorted by year (freshman, sophomore, etc.)
  - each year has separate table style format that lists class name, level (ap, ib, honors, cp, regular), grade received in first and second semester, maybe teacher name? (Not sure if its necessary)

- ***Within this page there is another page to add new classes**
  - Title at top
  - Things to fill out include name (typed), year taken (typed), level (multipld choice), grade received (drop down, only letter grades no plus and minuses)
  - Button at bottom that says add

- **My Volunteer Experience page:**
  - title at top, plus button top right
  - table style format with date started and date ended, organization/charity name, short description, hours received
  - There needs to be some sort of edit button to update hours received for each volunteer experience
  - Toggle on/off to sort by hours received

- ***Within this page there is another page to add new volunteer experience**
  - title at top
  - Info to fill out includes date started (calendar) and date ended (there needs to be an option to select that its still ongoing and option that it has ended (if ended then calendar), organization name (typed), description (typed), hours received (typed),
  - Button at bottom that says add

- **My Clubs/Organizations page:**
  - Title at top, plus button top right
  - Sort by academic and non-academic clubs (two tables)
  - Each table has club name, club position, start date, end date
  - Toggle to sort by position importance (assign number to position depending on importance to allow sort)

- ***Within this page there is another page to add clubs and organizations**
  - Title at top

- Info to fill out includes academic or non-academic (multiple choice), club name (typed), date started (calendar) and date ended (needs to be option to select that its still ongoing and option that its ended—if ended, then calendar), position
- Button at bottom that says add

- **Other School Extracurriculars Page:**
    - Same thing as clubs one except instead of academic or non-academic, its academic, athletics, or performing arts (3 sections on the page)

- ***Within this page there is another page to add sports participation, performing arts experience, or any other teams/ecs**
    - Same thing as clubs one but instead of academic or non academic, its academic, athletics, or performing arts

- **My Work Experience Page:**
    - Title at top, plus button top right
    - Instead of table style format, each work experience has its own box with employer name, job start date, job end date (if applicable), job position, job description, part-time or full-time, paid or not paid
    - Toggle on/off to sort by most recent

- ***Within this page there is another page to add work experience**
